THE TELECOMMUNICATIONS ACT OF 1996)	

**ORDER APPROVING INTERCONNECTION AGREEMENT
AND AMENDMENTS THERETO**

The Petition for Approval of the Interconnection Agreement and Amendments Thereto Negotiated Between BellSouth Telecommunications, Inc. and Community Telephone Corporation Pursuant to the Telecommunications Act of 1996 came before the Tennessee Regulatory Authority (the "Authority") at the January 23, 2002 Authority Conference. The Agreement and Amendments were filed on November 29, 2001 and came before the Authority pursuant to 47 U.S.C. § 252.

Based upon the Petition, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously approved the Agreement and Amendments and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.

2) The Agreement and Amendments are in the public interest as they provide consumers with alternative sources of telecommunications services within the BellSouth Telecommunications, Inc. service area.

3) The Agreement and Amendments are not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the Agreement and Amendments are consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.²

5) No person or entity has sought to intervene in this docket.

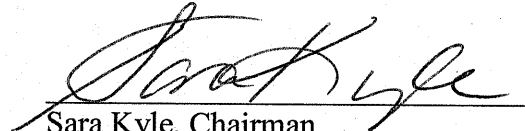

6) The Agreement and Amendments are reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

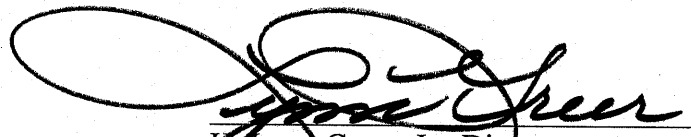

¹ See 47 U.S.C. § 252(e)(2)(B)(Supp. 2001).

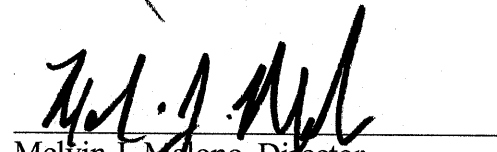

² The Authority has issued a request to BellSouth Telecommunications, Inc. requesting that it provide to the Authority a detailed filing explaining any provisions of the interconnection agreement that differ from previous Authority decisions. BellSouth Telecommunications, Inc. has not responded to this request.

IT IS THEREFORE ORDERED THAT:

The Interconnection Agreement and Amendments thereto negotiated by and between BellSouth Telecommunications, Inc. and Community Telephone Corporation³ are approved and are subject to the review of the Authority as provided herein.

H. Lynn Greer, Jr., Director
